

SKYLINE 190

For sharing a moment
of true wellness.

semi built-in

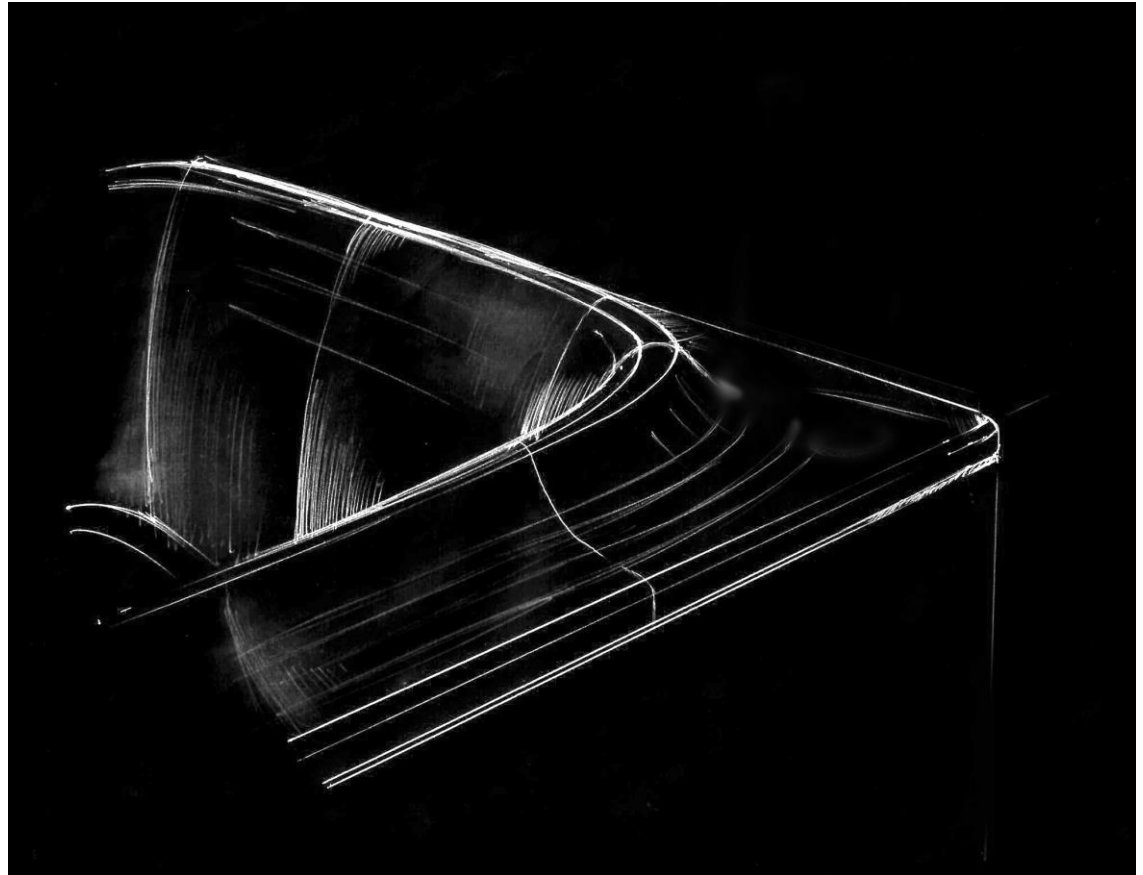

SKYLINE 190

built-in

«The main element, both
aesthetical and functional, is its
particular raised edge. It's a
comfortable support for the
head and the back and also a
practical surface along the
perimeter of the bath.»

Kaludrovic & Condrini
DNA srl

SKYLINE 190

Comfort at 360 degrees

The **double internal depth** allows the user to sit or lay down comfortably in different positions.
